

Marsh Creek 70lbs, Lansdale Cannoneers 70lbs - The Cannonneers got on the board early in the 2nd quarter after a strong defensive stand by the Eagles in the red zone. The Eagles were facing 1st and Goal and got to 4th and goal. Although scored on, the strong Eagle defense did not give up the extra point. The rest of the game remained scoreless, and the Eagles defense proved very difficult to move the ball against. Some impressive 1st half tackles by Colby Barsz, Trevor McNickle highlighted by an impressive 3rd and 4 stuff in the backfield by Connor Noble. The first half offense moved quickly, as demonstrated by the drive immediately after the opening score when Garret Glendenning opened up with a 13 yard run and Sean O'Brien cranked forward for some tough yards. In the second half, James Basillii came to play as demonstrated by defensively owning the Cannonneers on one series by being involved in all 3 plays. With 2:52 left in the 3rd Matthew McDevitt aggressively went after the ball and came up with a fumble. With the offense now on the field, Basillii as QB, sneaked the ball around the right side and with the help of a crushing block by Spencer Uggla gained an impressive 17 yards. Although the offense didn't score, a lot was learned and the defense looked consistently strong. The kids were excited and are ready to play the Lenape Valley Indians next week.
