

On a wet and dreary autumn afternoon our scrappy seventy-pound Eagles met the Pennridge Greenjackets. The Marsh Creek offense began the contest against the so-far stingy Pennridge defense. On our first offensive possession our offensive unit, led by Brodmerkel, Wendig, Vossler, and Uggla, created gaping holes in the Pennridge defense. After a touchdown run was called back because of questionable holding call the offense was not to be denied and scored another touchdown that set the tone of the day early. The defense then got its turn to dominate the opposition and get the ball back for our ever-ready offense. The first half continued with our offense moving the ball and our defense shutting the door on Pennridge. Late in the first half the "O" line provided the blocking needed to allow our backfield, led by Barsz and Glendenning, to march down the field and score another touchdown with less than a minute remaining on the clock. As the rain fell the half came to a close. Our soaring Eagles once again out played the Pennridge in the second half. Our offense added one more touchdown and our gang tackling defense, led by Fritsch, Milano, and Walter, shut out the potent Pennridge offense. Overall it was a fabulous day for our players and fans as we savored the well played game.
