

March Creek Eagles 70-2 team
September 6, 2009
By Jim Lauckner

It was finally here, our first game that Coach Tex Camden and his staff: Gary Folk, Rodney Reeves, Joe Diana, Brad Heureux, Russ Glazer, and Greg Benson had prepared the team for. Listening to some of the parents before the big game you could hear the excitement and gratitude for the job the coaches are doing. Several mentioned that they are impressed with the fact that while the practices are tough, they are extremely well organized and the boys love it!

MCE 70-2 warming up before first game

Malcolm Folk, Cole Benson, and Jack Garrity earned the right to be our Captains for the week. They represented their teammates and went out for the coin toss and to meet the officials and Lower Perk captains. The game started with our Blue Offense taking the field. Immediately the line was blocking well and most of our plays were a success, gaining yards. The efforts of Nicolas Ericson, Billy Dyer, Matthew Diana, Michael

Reeves, Cooper Chamberlain, Matthew Daulerio, David Geipel, Jack Garrity were paying off. A great mixture of pounding up the middle, a pass attempt and great concentration lead to an end around and the team's first touch down being scored by John Camden. Score 6-0! The next TD was scored by Matthew Glazer.

With the White group defense consisting of Cristian Reno, Malcolm Folk, Brett Boyle, Andrew Luongo, Patrick Tormey, Wayne Warpole, Matthew Heureux, Cole Benson, Michael Rearden and Jake Lauckner all doing a fantastic job; they shut down the Lower Perk Longhorns and the half time score was 12-0.

The second half brought much of the same but with our White and Blue groups switching roles on Offense and Defense. Each group continued to apply what they had learned in pre-season and the defense continued to deny first downs to Lower Perk. With continued success in the trenches the lines did their jobs and Matthew Heureux and Malcolm Folk each ran for 60 plus yard touchdowns bring the score to 24-0. Lower Perk did also have a huge play down the right side but were caught at the 10 by Matthew Daulerio. With 3rd and 6 the Longhorns punched it in to make the final score MCE 24 – Lower Perk 6.

Our next game will be away at Methacton at 3:00 PM on Sunday 9/13.
